SIR,

The Chief Adviser, Factory Air Raid Precautions states that his Deputy - Captain Wood - who is primarily concerned with A.R.P. Services in factories as opposed to Mr. Gollan who is primarily concerned with structural protection, will again be on tour in Madras during the middle of May. He adds that he has had several enquiries for advice from factories in the Mysore State and enquires whether the Government of Mysore desire that Captain Wood should visit Mysore. If Mysore is to be included in his itinerary, I am to request you kindly to let me know what factories in the State the Government

of

of Mysore would like him to visit so that a detailed tour programme can be arranged for him.
